Love To Learn

16 October 2018

Dear Parents of Children in Y5C

## **MISS CARTER**

After October half term, Miss Carter will be reducing her days at school for personal reasons. She will work three days per week on Wednesdays to Fridays. We are delighted that we have been able to arrange Mrs Hannah Breslin to teach on Mondays and Tuesdays. Mrs Breslin is an experienced teacher and literacy specialist, who has been working in the school since September. She has lots of experience in teaching, curriculum development and supporting other colleagues through her specialism, and will be an excellent addition to the class and to the Year 5 team.

I am sure you will join your children, who have been informed today, in welcoming her to the class and to the Year 5 team.

Yours sincerely

Mr Tim Cox  
Vice Principal
