CURRICULUM OFFER

YEAR 3

AUTUMN 2 2018

Trips and Visits

Please join us for our open Afternoon on Monday 17th December at 2:45pm. This will give you an opportunity to see what the children have learnt throughout the term; watch a small performance and look through the children's books.

Science- Animals including Humans- Healthy Me.

Our Brain Week will begin the week commencing 29/10/28. During this week we will be thinking about thinking- how do we exercise and challenge our brains!

This term in science we will be looking at our bodies and how to stay healthy. This will include looking at the different food groups and the effect of exercise

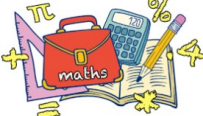

Power of Reading- The Wolf's Footprint

In the darkness, a shadow moved, and something green glinted in a patch of moonlight. Another shadow drifted among the trees. Green eyes and grey shadows, all about them, watching...

This thrilling and gripping novel will provide us with our inspiration for writing this term. When Elka and Daw's father is left with a difficult decision; we will be writing letters to try and persuade him to make the write choice. We will also be writing diary entries , interpreting characters' feelings and emotions and making predictions about using clues from the text.

Maths

In maths we will be continuing to learn formal methods for multiplication and division. We will begin by learning the methods before using our skills to investigate a range of reasoning and problem solving activities. In the run up to our fiver challenge, we will be solving a range of problems involving money including counting coins, adding amounts and calculating change. Our timesta-

Sports

The house competition for this term is Lacrosse! The children will learn the skills of the sport every week before taking part in a tournament at the end of term!

The second sport we will learn this term is hockey.

Humanities/ MFL

In RE, we will continue studying the beliefs and traditions of Hindus specifically looking at Gods and Life Journeys.

In Geography we will be comparing the physical and human geography of two settlements.

House Challenges/Events

This term we will become entrepreneurs in this year's fiver challenge. The children will be setting up their own businesses; making and selling products in order to make a profit.

Art - Colour Mixing (Primary, Secondary and Tertiary): Theme: Hindi Art and Autumn

Music - Ukulele! We will enjoy learning how to play the ukulele this term. We will learn how o hold the ukulele, strumming patterns and the chords C and F
