CURRICULUM OFFER

YEAR 4

Trips and Visits

Please join us for our open Afternoon on Tuesday 4th December at 2:45pm. This will give you an opportunity to see what the children have learnt throughout the term; and look through the children's books. We are also thoroughly excited for our 'Theatre In Education' Day and our Peterborough Museum Trip. Details of

Science

Our fascinating **Brain Week** will begin the week commencing 29/10/28. During this week we will

be thinking about thinking- how do we exercise and challenge our brains!

Our science topic this term will be:

States of Matter

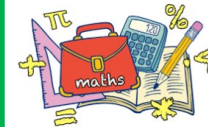

"It's a bit gassy!", "Let's make it rain!"

Power of Reading- Friend or Foe

There was nothing threatening or frightening about them, they were just two exhausted, pale-looking men.' Our power of reading class reader this term will be this thoughtful and emotional book. It will help us explore how it feels to be evacuated both in the past and

Maths: Multiplication, Division and Area

Our focus in Maths will be on using existing skills to master the formal written methods of multiplication and short division. Then, we will be applying these skills to find the area of rectilinear shapes.

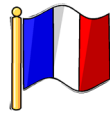

Daily, we will still be practising our mental maths especially times tables (both as multiples and divisions) to help us become

Humanities/ MFL

HISTORY DAY ON ANGLO-SAXONS

We will be having an exciting special day on 30/11/18, learning about the Anglo-saxons—who were they, how did they live? What do we know about them?

We will continue learning

House Challenges/Events

This term we will become entrepreneurs in this year's **five** challenge.

Ukulele! We will be building on the skills learnt from Year 3

Sports

The house competition for this term is **Lacrosse!** The children will learn the skills of the sport every week before taking part in a tournament at the end of term! The second sport we will learn this term is hockey. 4B will continue to go swimming as their sec-

Art - Exploring Colour, Tints and Shades ,
 THEME Movement and Migration (Refugee Art)

Music - Ukulele! We will be building on the skills learnt from Year 3 and we will learn the chords C, F, G7 and Am and have fun singing songs and playing the ukulele.

PHSE— Celebrating Difference
ICT- E-safety (cyberbullying)
