

# MALCOLM SARGENT PRIMARY SCHOOL

Love To Learn

30 October 2018

Dear Parents

## **CHICKENPOX**

We have chickenpox in school. It is mainly affecting Y1 at present but we expect this to spread rapidly amongst other year groups, via siblings.

Please do not send your child into school if he/she has any symptoms of the illness. Public Health England advises that if your child has chickenpox, he/she should not return to school until all vesicles have crusted over.

For further information please contact your GP or refer to NHS guidance at:

<http://www.nhs.uk/Conditions/Chickenpox/Pages/Introduction.aspx>

Yours sincerely

Liz Town

Business Manager
