

Love To Learn... The Malcolm Sargent Way

What Is Sports Premium?

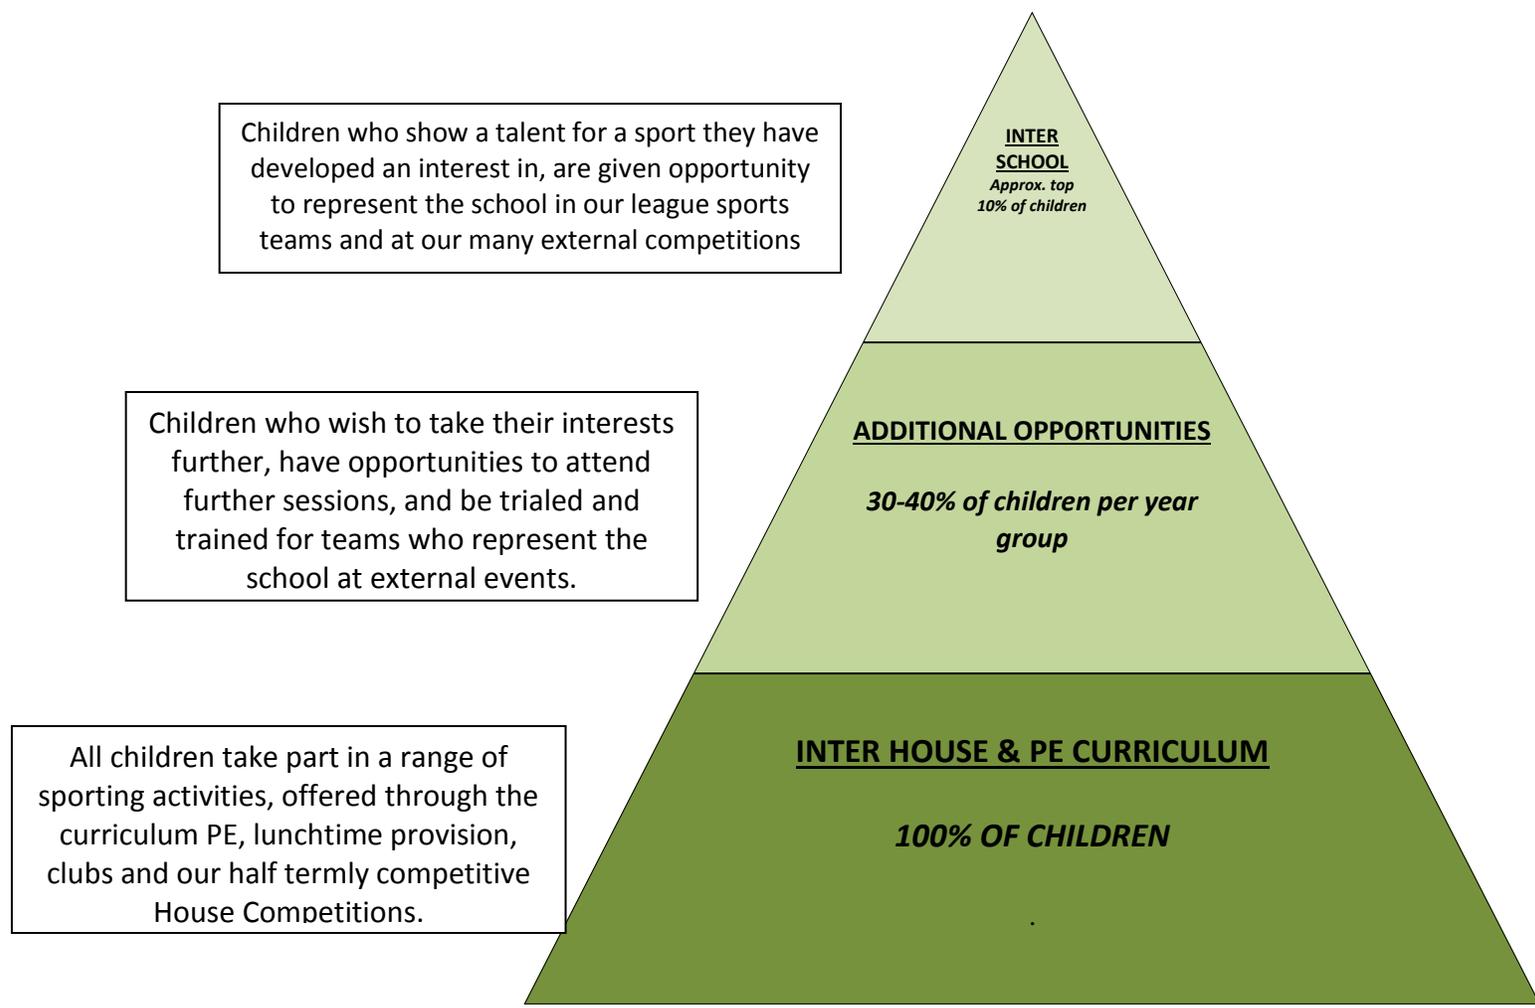

This year, the government will be providing schools across the country with additional funding to support sports and PE, as part of an ongoing initiative to improve the health and wellbeing of children.

We are funded £16000 plus £10 per pupil in Year 1-6, and use this money creatively, to improve our sports curriculum offer and enrichment.

We are dedicated to sports at Malcolm Sargent School. We believe all children should have opportunity to take part in Physical Education, and sporting events across all age ranges in the school, and experience competitive sports, whilst developing skills and understanding about the games they play.

What Are Our Aims For Sports At The School?

1. To encourage physical activity, fitness and self-confidence in physical activities.
2. To give children a range of opportunities, encouraging them to foster an enthusiasm or interest for particular sports which they may continue with in the future.
3. Provision of a pathway for children to easily access sports and then develop abilities through to competitive level sports, entry into teams, attendance at additional training sessions and experience of local, regional and national competitions. In this way, those with a talent for this curriculum area are given full opportunity to extend their skills and achieve well, instilling a sense of pride and joy in what they do, and how we achieve as a school.

How Should We Spend The Sports Premium?

The government recommends how Sport Premium funding should be spent as follows:

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that you should use the premium to:

- *develop or add to the PE and sport activities that your school already offers*

- *make improvements now that will benefit pupils joining the school in future years*

For example, you can use your funding to:

- *hire qualified sports coaches to work with teachers*
- *provide existing staff with training or resources to help them teach PE and sport more effectively*
- *introduce new sports or activities and encourage more pupils to take up sport*
- *support and involve the least active children by running or extending school sports clubs, holiday clubs and [Change4Life](#) clubs*
- *run sport competitions*
- *increase pupils' participation in the [School Games](#)*
- *run sports activities with other schools*

What Are We Aiming To Achieve Through Spending The Sports Premium?

We have decided to use our Sports Premium for the last few years in:

- Developing and increasing the range of sports ALL children take part in by:
 - Increasing lunchtime sports sessions and after school sports sessions run by sports coaches
 - Developing our PE curriculum to include a wider range of sports and ensuring we have the resources and sports coaches to teach them
 - Upskilling teachers to ensure all our staff can teach a wider range of sports
- Increasing the amount of interest and opportunities for children to take their interests in sports further, through attending trials and in trying out for teams:
 - We have employed a designated sports coordinator to run the additional sports sessions for those children that have an interest.
- Increasing the amount of competitive sports opportunities for all children, and for those with a talent for a particular sport by:
 - Our sports coordinator organises and enters the school into the regional and local sports competitions, sources further opportunities and enrolls teams.
- Improving our pride and joy in sports through doing well at competitive sports locally and regionally:

- We celebrate our successes in assemblies, proudly display our achievements and ensure our parent community are aware of our accolades.
- We keep an annual list of our successes to reflect on, and use on analyzing the impact of Sport Premium funding.

What Has Been The Impact So Far?

The impact of Sport Premium funding to Malcolm Sargent has been tremendous. In the last few years, since Sports Premium funding started:

- Over three times more children voluntarily attend additional trials to find out more about the sports and try out for competitive sports.
- Over 5000 more child opportunities were available in whole school, sporting events last year, due to the new House Sports arrangements.
- We continue to make our school proud with an increasing number of podium places and 1st places across Stamford and beyond
- Last year, we were County Champions in both Football and Cricket! We are very proud of our Cricket team who won every event they took part in.
- We continued our great success with swimming, with our 3/4 team becoming County Champions and our 5/6 team winning a second place.
- We had podium success in 71% of the events we entered and 26% 1st places.
- Over 16,000 more opportunities were taken up by children in sports taster sessions, additional to our curriculum PE provision.

	2012-2013	2013-2014	2014-2015	2015-2016	2016-2017
Amount Of Opportunities Provided Taken Up By Children (Additional To Curriculum PE)	8965	9962	12303	10656*	16338
Amount Of Children Attending Taster Sessions & Trials (Additional To Curriculum PE)	1305	1686	1868	4016	5354
Amount Of External Events Entered	24	25	31	38	34
Amount Of Podium Places Gained Through External Competitions	9 (37%)	14 (56%)	19 (61%)	23 (61%)	22 (71%)
Amount Of 1 st Places Gained Through External Competitions	2 (8%)	5 (20%)	8 (26%)	6 (16%)	8 (26%)

*clubs run by Acorn (no longer included in school figures)

How Did We Use The Funding Last Year?

Last year, we established a far greater sporting opportunity for all children to take part in, broadening the range of sports children have access to, beyond their core curriculum PE offer. To do this, we established a half termly House Competition, which teachers organised and take part in with children. Resources were purchased using the Sports Premium to make this extension to our sports, possible.

We continued to spend most of the funding on the coordination of external school sports, and for sports coaches to run 'additional to curriculum', taster sessions for all children to have opportunity to attend. Our Sports Coaches, then

ran the trials and training sessions for those children that have an interest and talent for particular sports. These happened as lunchtime or after school clubs.

These areas of spending, fulfilled our long term aims for sports at the school, as outlined above:

Years Involved	Amount Of Children Involved	Outcome	Provision	Entry Level Data	Date	Adult	Exit Level Data	Date	Impact Review	Provision Costs Per Annum	
Y1-Y6	532	To maintain children's participation in a wider range of sports across the school year.	External sports events managed by a sports manager, who will source, organise and ensure children are supported towards participation in external sporting events. 1.5 hours a week.	Amount of external events organised and taken part in = 38	5.9.16	Neville Kier & Craig Keenan	34	17.7.17	↔	£7,724.00	
		To maintain children's participation in a wider range of sports across the school year.	Sports Cluster bought into the academic year, to allow access to a broad range of events and competitions across Stamford, Lincolnshire and beyond.	Amount of external events organised and taken part in = 38	5.9.16	Neville Kier	34	17.7.17	↔	£750.00	
		To ensure children have a wide variety of opportunity in developing their sporting ability beyond curriculum sports, to competitive levels both locally and nationally.	Sports coaches delivering high quality sports provision during lunchtimes and at the end of the school day, in preparation for external sporting events, as per Sports Planner. 8 hours a week.	Children attending Sports Taster sessions = 4016	5.9.16	Neville Kier	5354	17.7.17	↑	£1,485	
FS-Y6	622	To develop the confidence and expertise of staff delivering sports sessions to children across the school	Additional resources bought so that each teacher delivers a House Sporting Event effectively each term, as per Sports Planner, involving all children in the year group, competing class against class.	No. of teachers, regularly teaching a wide range of school sports each term = 6	5.9.16	Neville Kier & Teachers	21	17.7.17	↑	£1,093.10	
Sports Premium Funding 2016/17=									£10,500	Our Spend =	£11,052

What Is Sports Premium Being Used For This Year?

Our rationale and aims for sports at the school remains the same as last year, (see above).

However, this year, we also want to:

1. Extend further the offer of a wider range of sports and events for children with an interest and talent to enter and....
2. Include more children in the external competitions, by training larger groups of children and creating A and B Teams, both of which have opportunity to take part in competitions and tournaments., whilst....
3. Maintaining our sporting success and the numbers of children involved in sports across the school.
4. Broaden the training and professional development of teachers under confident in the delivery of curriculum PE.
5. Extend our Swimming Provision to ensure ALL children attain to at least National Curriculum expectations by the end of Year 6, through targeted provision for those who struggle the most.

Years Involved	Amount Of Children Involved	Outcome	Provision	Entry Level Data	Date	Adult	Exit Level Data	Date	Impact Review	Provision Costs Per Annum
Y1-Y6	538	To extend the amount and type of opportunities for children to develop sporting skills further.	External sports events managed by a sports manager, who will source, organise and ensure additional opportunities are available.	Amount of external events organised and taken part in = 34	5.9.17	Lauren Millar				£2867

		To maintain children's participation in a wider range of sports across the school year.	Sports Cluster bought into the academic year, to allow access to a broad range of events and competitions across Stamford, Lincolnshire and beyond.	Amount of external events organised and taken part in = 34	5.9.17	Lauren Millar				£30	
		To ensure more children have a opportunity to take part in competitive sports both locally and nationally.	Sports coaches delivering high quality sports provision during lunchtimes and at the end of the school day, to ensure a wider range of children can take part in competitions. 5.5 hours a week.	Children attending Sports Events sessions = 2719	5.9.17	Craig Keenan				£5183	
FS-Y6	609	To develop the confidence and expertise of staff delivering sports sessions to children across the school	Teacher training and development with sports coach, in areas they do not feel confident in delivering. 2.5 hours a week.	No. of teachers, regularly teaching a wide range of school sports each term = 6	5.9.17	Craig Keenan & Teachers				£2356	
Y5-6	22	To ensure all children can swim to at least the expectations of the National Curriculum by the time they leave Y6	Additional targeted swimming support once per week with qualified swimming teachers.	0% of the children in Y5 and 6 who did not meet expectations in Y4 are at end of Y6 expectations.	5.9.17	Sue Brown				£4500	
FS-Y6	630 + children from other schools	To maintain children's participation in a wider range of sports across the school year.	Resources bought for the school to develop House Sports training sessions with ALL children, along with resources needed for running local cluster sports competitions for other school children across the region to attend and participate with.	Amount of external events organised and taken part in = 34	5.9.17	Lauren Millar				£6380	
Provisional Sports Premium Funding 2017/18=									£21,310	Our Spend =	£21,316
