

MALCOLM SARGENT PRIMARY SCHOOL

Love To Learn

21 November 2018

Dear FS and Y2 Parents

FS AND Y2 NATIVITY PERFORMANCES

Under the General Data Protection Regulations which came into force on 25 May, we will now be requesting your specific permission to record each year group performance, to sell the DVD of the play and to also take photos of, and sell, the children dressed up as their performance characters (as we have done in previous years).

Please therefore give this specific permission on Parentmail in the Forms section of the app as follows:

- My child may be recorded in his/her performance of this play
- The school may sell the DVD to parents
- The school may retain a copy of the programme and DVD in its archive store
- The school may take photos of my children dressed in his/her performance costume
- The school may sell the performance photos to parents

Please be aware that if any one parent in a class does not give permission, none of that class's performance can be recorded.

This should be a one-off request as we will be able to amend your consents on your child's record.

Thank you.

Yours sincerely

Liz Town
Business Manager
