Dear Parents

## **ANGLIAN WATER – WORKS ON EMPINGHAM ROAD**

Thank you to all our staff, children and parents for their consideration during the drop off period this morning and moving forwards, at drop off and collection until Friday when we expect the traffic lights outside the layby to have been removed.

We have been liaising with Anglian Water and we are hoping that their staff will shortly move the position of the lights and/or the signage so that, if possible, they do not affect the drop off zone entrance and exit.

During this short period the drop off zone will be open and staffed as usual. In addition, and further to our text message this morning, I will be arranging for members of my staff team to be at the Danish Invader for the next three mornings (Wednesday to Friday inclusive) so that you can drop off your children there if that is easier for you.

Thank you to Mr and Mrs Needham of the Danish Invader, Rutland Radio and Anglian Water for their assistance in helping us to manage this unusual situation.

Yours sincerely

T J Revell  
Principal
