

MALCOLM SARGENT PRIMARY SCHOOL

Love To Learn

December 2018

Dear Parents/Carers Of Y4B Children

Y4B SWIMMING

As we come to the end of our swimming lessons for Y4B, I am thrilled to let you know that has achieved meters unaided. Although he/she has not achieved the National Standard of 25 meters in both front crawl and back crawl, this is a fantastic step towards gaining confidence and technique.

We would like to offer you the opportunity to buy a distance badge to celebrate this success. The sew-on badge and certificate from Swim England will cost £3.20 and your payment, if you would like to purchase these items, should be given to the office in a sealed envelope with the reply slip attached. The slip and payment need to come back to me by Monday 10 December for the children to receive the badge and certificate by the end of this term.

We will be offering swimming lessons again in September 2019 to all the current Y4 children who have not achieved National Standard and these will take place on a Monday afternoon. We will contact you at the start of Autumn term 2019 with the details.

Ms Barton, Miss Peck and I are very pleased with the children's progress and that they have all worked so hard to improve week on week.

Yours sincerely

Mrs Sue Brown and Miss Chelsea Peck
Swimming Leaders

Ms Clare Barton
Class Teacher
