

MALCOLM SARGENT PRIMARY SCHOOL

Love To Learn

10 December 2018

Dear Y4 Parents

INVITATION TO A VE DAY CELEBRATION EVENT AT OUR OPEN AFTERNOON 2:45 ON FRIDAY 14 DECEMBER

As you know, we have been learning about Evacuation, both past and present, this term. Our power of reading class book this term has been "Friend or Foe" by Michael Morpurgo, in which two boys are evacuated from the Blitz in London to a farm in Devon. We have also been looking at the life of a modern refugee trying to flee Iraq.

This term we also have the Fiver Challenge, where the children (in class groups) have to try to "grow" their Fivers (£5) to make a profit. Linking these two aims together, we will be hosting a VE Day Celebration Event for family and friends at the school at our open afternoon and we would like to invite you all to attend this special event.

The children will be using their Fiver Challenge money to buy resources to make delicious treats for you to eat. We will prepare these foods together in class.

At our VE Day Celebration Event, we will present what we have learnt this term and also be selling our tasty VE Day celebration snacks prepared by the children created by the children.

We would like to invite you all - any family member or family friend - to attend this celebration, with money in hand, to buy our products and help our Fivers to grow!

We look forward to seeing you on the day at 2:45pm in the Year 4 area in our classrooms. You will need to enter the school at the office as the outer gates will be locked at this time.

At the end of the event at 3:20pm you will be able to take your children home with you.

Yours sincerely

The Year 4 Team
Ms Barton, Miss Lunn, Mr Prentice
