

# MALCOLM SARGENT PRIMARY SCHOOL

Love To Learn

20 December 2018

Dear Parents

## PROGRESS SCORE RESULTS IN READING, WRITING AND MATHS

I write to you amidst the usual busy array of festive activities across the school including performances, plays, open events and some very special choir visits. I am especially proud of our choir visits to the residents of our local care and residential homes at Priory Court and Newcomb Court, both of which were arranged courtesy of the excellent Mrs Mills and Mr Peach!

We are, however, also very proud to again be able to announce and celebrate more superb academic results in the government's recently published league tables. Each of the achievement indicators are comfortably within the top 10%-20% of schools, both in Lincolnshire and nationally. Indeed, even when compared to schools with pupils of a similar starting point, the DfE states that "there is no better performing similar school in this group that is within 75 miles of the school".

### Progress score in reading, writing and maths

The performance tables can be accessed via the link:

<https://www.compare-school-performance.service.gov.uk/school/137680>

The continued strength of our academic achievement is testament to the strong team, which together supports our pupils' success. Thank you for your continued support and contribution to this work.

On behalf of the staff team at Malcolm Sargent Primary School, I would like to wish you and your families a very happy Christmas and New Year.

Yours sincerely

Mr T J Revell  
Principal
