

MALCOLM SARGENT PRIMARY SCHOOL

Love To Learn

16 January 2019

Dear Parents/Carers

Y6 BOOSTER SESSIONS

In the Spring parent consultations, we will be discussing whether your child is likely to meet the challenging new national standards by the end of KS2. The statements in each year group are **age-related expectations**, and it is important that your child can confidently access these skills and apply them to a range of contexts, in order for them to be achieved. A copy of these will be available at the next consultation when we will be able to talk to you about any areas in which your child needs further help.

In order to support the children in Y6 who may need help meeting the specific standards for their age-group, we have put in place a series of targeted intervention groups. A small maths group will take place after school on Mondays and this will be led by Mr Revell.

We would like to invite your child _____ to attend a session each Monday between 1520 and 160, targeting arithmetic skills. We envisage these sessions running until the Easter break but will confirm this nearer the time.

For these sessions, your child will go straight to Mr Revell's office at the end of the school day and then be collected from the school office at the end of the session. Please complete the attached slip to confirm that your child is able to attend the sessions and how they will get home afterwards.

The first session will be on Monday 21 January 2019.

Yours sincerely

Ms Julie Williams
Head of Phase Y5/6

Y6 BOOSTER SESSIONS WITH MR REVELL – MS WILLIAMS

Child: Class:

- I give my child permission to attend the above booster sessions
- My child will be collected from Malcolm Sargent by:
