Dear Parents of Y1 Children

READING WITH GRANDPARENTS

As part of our history topic, we will be reading the book 'Nanna's Button Tin' with the children this term. To enhance the topic, we would like to invite grandparents into class on Monday 28 January between 1430-1500 to read stories with the children. A family friend could come along instead of a grandparent if you prefer.

If you would like to join us on Monday next week, please complete the slip below to advise us that you will be coming. We will be ensuring that every child has a reader with them if you cannot join us.

Yours sincerely

Miss Emma Cooper
