Dear Parents of Y3-6 Children

ROTARY CLUB YOUNG ARTIST COMPETITION 2019

Once again, our children have been invited to enter the above competition. Last year we had great successes and I know we have some talented artists who have the potential to do so again this year.

This is a competition which encourages young people to express their ideas through any artistic medium other than photography, interpret the given theme and use their artistic skill, imagination and creativity.

There are three age categories, with ages taken on 30 August 2018:

Junior	Aged 7-10 years (born between 01.09.2007 and 31.08.2011)
Intermediate	Aged 11-13 years (born between 01.09.2004 and 31.08.2008)
Senior	Aged 14-17 years (born between 01.09.2000 and 31.08.2004)

This year the theme is **"Beauty of Nature"** which can be interpreted in as many and varied ways as the entrants' imaginations allow. Entries should be preferably no larger than A2 size, but must be easily transportable. Any media is acceptable, including ceramics and other art forms except photography. This is a separate photography competition for which we also have application forms.

Entries will be judged on:

- imagination and style
- content and composition
- inspiration

The local final will be held in April 2019 with the awards ceremony at the DeMonfort University Leicester in June 2019.

Should your child wish to take part in this competition, please find an application form attached. Forms will also be available in the school foyer and in the art area. The work (which needs to have the child's name, class and school written on the back) together with the application form need to be returned to me asap for collection by the Rotary Club on Friday 15 February 2019.

I am very happy to give the children advice or chat through their plans and can't wait to see the entries. Any questions or queries please let me know.

Have fun creating!

Yours sincerely
