Dear Parents

## ROTARY CLUB YOUNG PHOTOGRAPHER COMPETITION 2019

Once again our children have been invited to enter the above competition. We have some talented photographers who have the potential to show off their artistic flair in this medium.

The task is to produce a portfolio of three photographs, which must be taken digitally, based upon the theme, "**Beauty of Nature**" in colour or black and white on photographic paper. Prints to be submitted separately and each print, including any mount, should be no larger than A4 size – mobile phones may be used. In addition, each entrant should provide a brief sentence of what each photograph represents in relation to the theme.

There are three age categories, with ages taken on 31 August 2018:

Junior	Aged 7-10 years (born between 01.09.2007 and 31.08.2011)
Intermediate	Aged 11-13 years (born between 01.09.2004 and 31.08.2008)
Senior	Aged 14-17 years (born between 01.09.2000 and 31.08.2004)

The competition aims to encourage young people to:

- Experiment with photography
- Use digital or traditional methods of photography
- Show interpretation of their chosen topic
- Express their ideas through the medium of photography

Should your child wish to take part in this competition, please find an information pack and application form attached. Please ensure every photograph, disc or memory stick submitted is clearly labelled with the name of the entrant. The work, together with the application form needs to be returned to Mrs Brown or Mrs Stenson asap for collection by the Rotary Club on Friday 15 February 2019.

We are looking forward to seeing your child's creativity in action!

Any questions or queries please let us know.

Yours sincerely
