Love To Learn

6 February 2019

Dear Parents of Y4 Children

GEOGRAPHY PROJECT

Next week, the Y4s will be working on a geography project, during which they will be making 3D models of mountains and rivers. They will have a session designing their model, and deciding what resources they need, and then another session creating their models.

The children will need small to medium sized cardboard boxes (no bigger than their table spaces!) together with newspaper to get started, so please can you put some aside for the children to bring in on Monday next week? The children will work either in pairs or small groups so may be able to share some resources.

Please do not send in the resources earlier than Monday as we do not have the space to store them!

Thank you.

Yours sincerely

Clare Barton
Head of Y4
