

MALCOLM SARGENT PRIMARY SCHOOL

Love To Learn

14 February 2019

Dear Parents

TEACHER ASSESSMENTS

Our next teacher assessments will commence for all children in March and April, and following these assessments, you will be invited to attend a parent consultation with your child's class teacher to discuss how your child is getting on, and what more can be done in school, and at home to support them further, if necessary.

In the meantime, please find enclosed the latest assessments for your child in their main subjects, together with a grade for your child's attitude to learning. Please be assured that our class teachers have been working hard on interventions with any children who are currently not predicted to attain their aspirational end of year target. If, however, you wish to arrange to speak to your child's class teacher prior to the parent consultation next term, please arrange a mutually convenient time with them directly.

The report will be going home tonight with the collecting parent. If you are a separated family and need an additional copy of the report, please contact the school office so that we can post one out to you.

Thank you for your continued support.

Yours sincerely

Tim Cox
Vice Principal, Upper School
