Dear Parents

PARENT CONSULTATION EVENINGS

The spring parent consultation evenings begin next week, and run right through until the Easter holidays (with the exception of Miss Goodson's class whose parents are aware of the change in date already). The dates scheduled are:

Y1 and Y2	19 March and 21 March 2019
Y5 and Y6	26 March and 28 March 2019
FS, Y3 and Y4 (except Y3G)	2 April and 4 April 2019
Y3G (Miss Goodson)	23 and 25 April 2019

These spring parent consultation evenings will focus on your child's baseline grades at the beginning of the year, his/her targets and how your child is progressing towards those targets. Behaviour will again be discussed.

The booking progress will open at 7pm this evening and will close 24 hours before the appointments commence. Please book the time/date you require. **Split families will be able to book two separate evenings if necessary although we would always recommend that both parents attend a single shared appointment. We want to work with both parents, together, to ensure the best possible results for the children, and joint parent appointments will help us to achieve this more successfully.**

Parents of children with Special Educational Needs and Disabilities who have a SEND Profile, or a Pastoral Support Plan (PSP), should already have met with their child's class teacher, or have an appointment scheduled. **You should not therefore book an appointment via this parent consultation evening process.** If you have not yet received your SEND/PSP meeting date, please contact your child's class teacher direct to arrange it.

As the parent consultation evenings are now split over several weeks, there should be plenty of car parking space at school in both the front and side car parks. If not, please park at Empingham Road Playing Fields, or at the Danish Invader rather than parking in the estates round the school which causes congestion for our neighbours.

Yours sincerely
