

MALCOLM SARGENT PRIMARY SCHOOL

Love To Learn

11 March 2019

Dear Y3 Parents

Y3 AIR AMBULANCE VIDEO

The theme for this year's Science Week is 'Journeys' and Y3 will be entering a competition about the air ambulance service. If we win, the air ambulance helicopter will land on our school field for a day.

For this competition we would like to make a video which advertises the air ambulance. The winning video in the year group will be sent to the Air Ambulance Charity to be judged for the competition, put on the school Facebook page and possibly be used on the Air Ambulance website. Please can you complete the form on parentmail regarding permissions for the video and return it your child's class teacher. Those children who do not have permission will still have a role in making, directing and producing the video even though they will not appear on camera.

Thank you for your cooperation. The Year 3 team are very excited about producing our very own video advertisement.

Yours sincerely

Miss L Millar
Head of Y3
