Dear Parents of Y5 children

FOCUS ON FRANCE DAY – THURSDAY 21 MARCH 2019

On Thursday 21 March 2019, we will be holding a 'Focus on France' day as part of our Modern Foreign Language learning in Year 5. The day will enable the children to practise using the French language through a carousel of practical activities. In addition, we are excited that a French teacher from Stamford Endowed Schools, and a small group of 6th form students who are studying A Level French, will be joining us for part of the day.

One of the activities will involve the children attending a French Café where they will order French themed food using the French they have learnt. The food will include food synonymous with France, such as croissant, cheeses and baguettes. Please note this will not take the place of normal school lunches.

We will take into account your child's personal food allergies (as already advised to school) but if you wish to have further information on the activities on the day, then do please speak to your child's class teacher.

We are looking forward to a fun French themed day on the 21st!

Yours sincerely

Paula Stenson
Head of Year 5
