

# MALCOLM SARGENT PRIMARY SCHOOL

Love To Learn

14 March 2019

Dear Parents of Y3G Children

## **LIBRARY VISIT**

At Malcolm Sargent Primary School, we 'Love to Read' and give your children every opportunity to engage with reading. We aim to ignite the desire and passion to read offering a variety of experiences to motivate and extend their reading. To encourage this, we therefore propose to repeat the class trips to the town library again this year. Whilst at the library, the children may complete some topic research, browse the bookshelves and hear an age appropriate story read aloud to them by the librarian.

Today, the children in class Y3G have visited the library in Stamford.

This letter is for information only as we already have your permission from your admission form for your child to take part in local trips.

Yours sincerely

Mrs T Cox, Vice Principal
