

# MALCOLM SARGENT PRIMARY SCHOOL

Love To Learn

18 March 2019

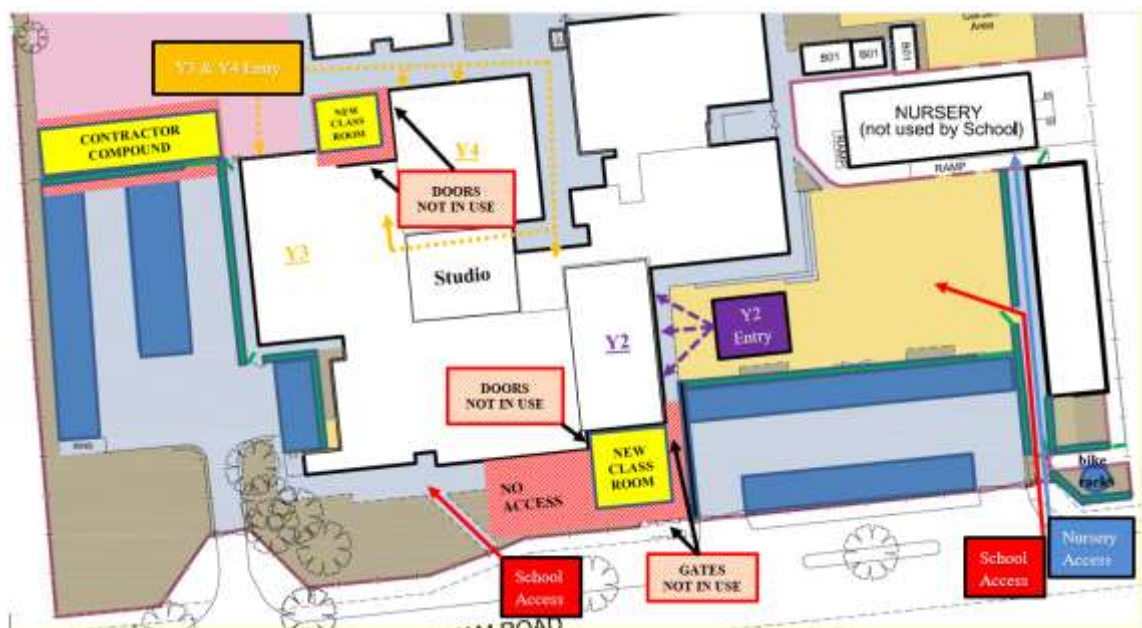

Dear Parents

## **BUILDING WORKS COMMENCING 25 MARCH 2019B**

Further to our letter in February regarding the above, the building works are commencing next Monday. The works will create two new classrooms for us, one next to the Y2 block, and the other next to the Y3 block. This will allow us to accommodate the additional thirty children we have on site, currently in Foundation, over the next six years as they progress through the school.

The works have been commissioned by Lincolnshire County Council which has appointed the Lindum Group to complete the work. The work will commence on 25 March 2019 and is scheduled for completion early in the summer holidays.

Full consideration has been given to the safety of the children, staff and parents whilst the construction is ongoing. In order to ensure everyone's safety, some entrances and exits have been/will be created and/or closed off. A map of these is shown below, together with the approximate location of the new classrooms.

There will inevitably be some disruption whilst the works are completed. We will keep you informed as best we can but appreciate your patience over the next few months.

Yours sincerely

Tristan Revell, Principal
