

# MALCOLM SARGENT PRIMARY SCHOOL

Love To Learn

26 March 2019

Dear Parent

## **JUNIOR MATHS CHALLENGE**

As your child is working at a high ability in Maths, he/she has been selected to take part in a national competition open to pupils in Year 8 or below, in England and Wales, called the Junior Maths Challenge.

The Junior Maths Challenge involves answering 25 multiple choice questions in one hour and is sat in school under normal exam conditions. The top 40% of students nationally receive a gold, silver or bronze certificate and each institution receives a Best in School certificate. Around 1200 of the highest scorers are invited to participate in the Junior Mathematical Olympiad.

This is a fantastic opportunity for your child and will only improve their maths reasoning and arithmetic skills further. Two practise sessions will be running in normal school times the week before the challenge which takes place on 30 April 2019.

Yours sincerely

Miss Emily Dakin  
Y6 Class Teacher
