

MALCOLM SARGENT PRIMARY SCHOOL

Love To Learn

1 April 2019

Dear Parents of Class 4

HOUSE

I am very pleased to advise that the children of Class 4 will be joining Dahl House from 1 April 2019. Dahl House's colour is red. The head boy is Jacob Townsend and the head girl is Liberty Walkland. The house is named after the famous author, Roald Dahl.

Up until this point, the children have been part of the house system, competing as a class and joining the mentoring and assembly system as best fits their timetable and needs across all three houses. This has served them well as they settled into the routines of school life.

As part of Dahl House, the children in Class 4 will now have their house assembly on Mondays and Fridays, led by Mr Cox. They will also be mentored by their peers in Mr Prentice's Y4 class, who will continue to work with your child until he/she reaches the end of Y2.

Class 4 children will continue to take part as a team in all house activities and competitions with the caveat that because Class 1 is also in Dahl House, any house points won which contribute to a whole school total will be averaged across the two classes, so as not to unbalance the competition. This will be good for everyone's maths too! This will not affect any year group competitive events as for these competitions, the whole class competes together as a team.

We are able to make this decision because we now know that, as a school, we will not be asked by Lincolnshire County Council to take an additional class of pupils in September 2019. We will therefore not have to add a further house to our current house system.

We hope that this information helps to explain how the children will enjoy house activities as we approach the start of an exciting summer term of events, including sports days.

Yours sincerely

T J Revell
Principal
