CURRICULUM OFFER

YEAR 4

SUMMER 1 2019

SCIENCE: What's that sound?

We will be investigating the world of sound: How are sounds made? How does sound travel? Can you hear different sounds?

THE POWER OF READING

The Ice Palace by Robert Swindells

Our reading and writing sessions this term will base around our rather chilly book "The Ice Palace". Set in a place where winter is dark and fearful, we will go on a journey to learn how communities pull together to defeat evil. This book links with our exciting theme this term of **Myths and Legends**, which we will be exploring throughout the term., resulting in us writing our very own stories with exciting characters and mythical creatures!

Maths: Decimals, time and money

We will be working with money and measurement and exploring area and perimeter as well as investigating different angles. These topics will all be linked to real life problems and improving our reasoning explanations.

Year 4 Online Times Table Practice

This year the government have introduced an online times table assessment for Year 4 children (more information will follow about this). They will only have 6 seconds to answer each question!

This term we will continue **Times Table Rockstars** as homework and during weekly ICT lesson. **Who will be the champions?**

R.E. – Christianity

This term we will be starting our R.E. topic of Christianity. We will be using our brand new Topic Boxes to bring the religion to life and look at the themes including religious symbols, how we should treat others and Being Human,

History— 25th April - Viking Day!

as well as famous people that were Vikings and are still re-

During this term we will be holding a Viking Day where the children will be learning all about the history of the Vikings including the background of where they came from, their favourite interests and food as well as famous people that were Vikings and are still re-

SPORTS

This term in our P.E sessions we will be focusing our PE sessions on getting ready for Sports Day which is on the 20th May. **Which House will come out on top this year?**

4P will also be continuing swim this term.

MUSIC – join in with songs, stories and music making inspired by the Gods and Goddesses of Viking my-

ART – drawing and painting a mythical creature and creating some Viking art-work

PSHE— Relationships
ICT— Analysis of Websites
