

Dear Parents/Carers,

As you start to consider secondary school choices for your child, we would like to offer opportunities for your family to experience life at Stamford Welland Academy. Our summer Open Evening will take place on Tuesday 2<sup>nd</sup> July from 5.30pm to 7.30pm. Everyone is welcome and there is no need to book. You will be able to look round each of our departments, meet our staff and students, as well as hear all about our exciting plans for the future from our Headteacher, Mrs.Vicky Lloyd.

In addition to our Open Evening, Mrs. Lloyd will be running Tuesday morning tours of the school on a weekly basis from 30<sup>th</sup> April 2019, so you have the opportunity to see the school operating on a normal working day. Please book by emailing [enquiries@stamfordwellandacademy.org](mailto:enquiries@stamfordwellandacademy.org).

For the children, we have a whole calendar of after school sessions across a range of departments including sports, music, science, drama and languages. These are run by our specialist staff and supported by our Academic, Sports and Arts Scholars. These are open to Year 4 and 5 pupils, as well as Year 6 pupils who have been offered a place for 2019 entry at the Academy. They give children an opportunity to speak to our younger students, as well as take part in a new activity within the environment of our Academy. We believe this gives them an excellent taster of secondary school life, which can benefit greatly towards future transition to secondary school. Sessions can be booked via our website at [www.stamfordwellandacademy.org/events](http://www.stamfordwellandacademy.org/events) but spaces are limited. We do hope you will take the time to come and look around our school. We believe it is a fantastic place to learn, not only the core academic subjects but also experience a wide range of extracurricular activities. We look forward to getting to know you and your children.
