Dear Parents

PARENT SURVEY

At Malcolm Sargent School, we value the views and contributions of our parent community. Please find attached our annual parent survey so that we can ascertain your views on our school. We use the Ofsted Parent View for this purpose. A link to this is on our website under QuickLinks at the top of the page at www.malcolmsargentschool.co.uk, or you can click on the link below which will take you to the Ofsted site direct:

However, if you have any comments or suggestions about improvements to our school, please email the office at liz.town@malcolmsargent.lincs.sch.uk. Please let us know what you like about us, as well as ways in which you think we could improve. We will then consider all your comments and suggestions and incorporate them into our future plans, if at all possible.

Yours sincerely

Tristan Revell
Principal
