

MALCOLM SARGENT PRIMARY SCHOOL

Love To Learn

16 May 2019

Dear Parents

PRIMARY SCIENCE QUALITY MARK

I am delighted to advise that we have just been re-awarded the Primary Science Quality Mark, valid for another three years.

The Primary School Quality Mark programme ensures effective leadership of science, enables schools to work together to share good practice and is supported by professional development led by local experts. It encourages teacher autonomy and innovation while at the same time offering a clear framework for development in science subject leadership, teaching and learning. Schools that achieve the PSQM award demonstrate commitment and expertise in science teaching and leadership.

I would like to congratulate all our pupils and staff in helping us achieve this award, but particularly Miss Evans and Mrs Nottingham who have worked tirelessly together ensuring that we continue to hold this award.

Yours sincerely

T J Revell
Principal
