Dear Parents/Carers

## YEAR 6 CHICKENWIRED WORKSHOP – WEDNESDAY 5 JUNE 2019

We are excited to announce that Y6 will be enjoying a wire sculpture workshop the Wednesday after half term. Three sessions will be run in the art area for each Year 6 class.

They will be using tools and chicken wire to cut, connect and create their own art work inspired by visiting sculptor William Ashley-Norman, from ChickenWired. They will be able to take these amazing sculptures home later in the week although we might like to keep some to show at the Art Exhibition the week after. Although we are paying for the cost of the workshop we would ask that each child bring £1 to contribute towards materials. This is a fantastic enrichment opportunity for them and something that they wouldn't normally have access to within school.

We are sure the children will enjoy this creative day after all their hard work during SATs.

Yours sincerely
