Dear Parent

Y5 BIKEABILITY REMINDER

Bikeability will take place during weeks beginning 3 and 10 June over two days for each course. A note will be put in your child's diary as to which days they need to have their bikes and helmets in school. Bikes can be left in the bike sheds overnight but please bring a bike lock to secure your bike.

Bikes need to be roadworthy and I have attached a checklist for bikes to be checked over the half term holiday.

Yours sincerely
