- 10 July – Class Changeover Morning
- 11 July – Band Concert at 1600
- 19 July – End of Summer Term 2

## CURRICULUM OFFER

Foundation Stage

SUMMER 2 - 2019

## Malcolm Sargent FS Car Show!

We will begin week 3 with our very own Malcolm Sargent Car Show featuring vintage cars, motorbikes and more! Parents are welcome to visit our car show. (More details to follow)

w/b 17th June 2019

## Understanding the World

The children will be learning about "Journeys and Adventures" this term which brings together different types of transport as well as space and holidays. We aim to capitalise on the children's interests of motor vehicles, planets and the beach through this topic.

We will invite the children to think about the different types of transport that have been invented and different ways in which they help people.

We will encourage the children to read books about our topic in their free choice reading.

## Sports

This term we will be learning the rules of Rounders and also taking part in Multi-skill sessions. The Multi-skill sessions will aim to develop the children's abilities at negotiating space, moving and handling sports equipment.

Power of Reading:

## Naughty Bus!

By Jan and Jerry Oke

During this term we will continue with the Power of Reading scheme and use our class book Naughty Bus to fully engage and interest the children in reading activities. We will explore the text, and pictures using them to inspire work across the whole curriculum. Our class reading activities will also support us in increasing our vocabulary and language. We will continue to practise reading tricky words as this will help enable each child to build their confidence and fluency in reading..

Bus trip around Stamford! w/b 3rd June 2019  
Cost £1

123456  
78910

## Maths

This term we will be cementing the concept of addition and subtraction whilst using concrete equipment, specifically numberlines. We will also focus on number recognition and formation of numbers to 20.

We will be using a variety of concrete equipment and pictorial representations to expose the children to many different ways of solving a problem.

## Personal, Social and Emotional Development

We will continue to hook the children's interests using exciting events, visitors and experiences. The Jigsaw scheme we follow focuses on "Changing me" this term.

We will understand that everyone is unique and special and learn to respect the changes we see in ourselves and others.

## House Challenges/Events

This term holds the children's end of year party! We will look back and reflect on the memories made during their first year at school and celebrate their hard work and achievements.

w/b 15th July 2019

Art - We will be exploring papier mache during our Space Week  
academic learning including vehicle sounds to relate to our topic

Music - We will continue to sing songs, play instruments and enjoy music as part of our aca-

PSED- Jigsaw Jeanie - We will learn about "Changing Me", respecting the changes others and ourselves go through

ICT- The children will continue to learn about the technology we see and use at home or in the community.
