19 June – PTFA Meeting at 1930	11 July – Band Concert at 1600
	19 July – End of Summer Term 2

## 'Out and About' CURRICULUM OFFER YEAR 1 SUMMER 2 2019

### Power of Reading

#### 'Out and about' by Shirley Hughes

Poetry: This term will see the children immersed in poetry and they will develop an understanding of how poems can be represented in a variety of imaginative colourful, artistic ways! They will write their own poetry based on their own first hand experiences of being 'out and about'.

## PSHE

This term sees the children understand and respect the changes they see in themselves and others and express how they feel when change happens.

## Science

The children will be learning about a variety of different animals, including humans and learning the correct scientific names for body parts.

Weather: the children will closely be observing the climate outside and keeping a weather diary. They will also learn about seasonal changes throughout the year, using poems from 'Out and About' to support their understanding.

## Maths

**Money:** the children will learn to recognise coinage 1p-£2 as well as how to make amounts using different coins.

**Time:** The children will learn how to read analogue clocks to the hour and half hour. We will be exploring time and how this affects their daily life.

## PE

The children will be learning how to play Rounders as well as taking part in the much loved Multiskills

## Cinema Trip!

Fiver challenge money! Towards the end of term the children will be treated to an exciting trip to the cinema in Stamford to celebrate the end of an amazing year!

## RE

Children will be learning what it means to belong to a Christian community. We will be visited by a member of Barn Hill Methodist Church who will explore with the children the sense of 'belonging'.

**Art:** In art we are going to be making rainmakers and creating artwork all about the weather  
**Music:** In Music we will be using voices, movement and instruments to describe the weather
