# The People behind The Arts

## Art – Mrs Brown

Mrs Brown teaches Art each week to all pupils from Years 1 to 6. This year she has planned a curriculum which allows children to delve into 'process art', investigating different mediums and spending several weeks on 'big making' projects, whilst also learning about artists and acquiring and developing their skills.

## Music – Mrs Mills and Mr Peach

Mrs Mills teaches music to all pupils each week. She plans her curriculum to complement the topics and themes being studied in each year group across the year. whilst also delivering a skills-based content.

Mrs Mills and Mrs Peach also run the choirs and band. They rehearse each week and have had another extremely successful year.

## Dance – Mrs Walkland

Mrs Walkland runs the Active Creative after school dance club for children in Years 2-6. Active Creative are dance education specialists who provide children with an original and inspiring movement experience which helps to develop physical skills whilst introducing creative expression and choreography.

# A flavour of Art at

## Malcolm Sargent School

Mrs Brown works collaboratively with Mrs Mills to link the Arts Curriculum offer, where possible following the themes, topics and books that the year groups are focusing on each term.

Please take the time to look around our Art exhibition where the artwork, photographs, sketch book samples and sculptures are displayed in chronological order from September to May. An explanation of each unit of work is displayed in each section.

Year 1 – Monet's *Waterlilies*, clay faces with natural resources and investigating charcoal cave art on 'Messy Art Day'.

Year 2 – Mixed-media papier mache minibeasts for their ‘Lonely Beast’ miniature gardens and Mother’s Day printing.

Year 3 – Printed fossils and fish fossils with cardboard and paint when studying the Stone Age and the book ‘Ugg’; the shadow puppet theatre was used with music the children had composed in lessons with Mrs Mills, using the Y3 Power of Reading book, ‘The Tin Forest’.

Year 4 – Weaving, Viking faces in clay and pop-up fabric puppets.

Year 5 – ‘Big make’ based around the Power of Reading book ‘Shackleton’s Journey’ – each class built a ship using their DT skills, made clay figures and then filmed sketches reenacting their research findings. They also studied the French Impressionists on ‘French Day’.
