

MALCOLM SARGENT PRIMARY SCHOOL

Love To Learn

12 June 2019

Dear Parent of Y5 Children

BOURNE GRAMMAR 11+ EXAMINATION TESTS

If you would like to enter your child into the Bourne Grammar 11+ test for entry into the school starting September 2020, you may be interested in familiarising your children with the test formats prior to the entrance exams in September 2019.

On Friday 5 July, Ms Williams will provide the children with two, one-hour support sessions to give them some idea about what non-verbal reasoning and verbal reasoning questions are like, and how they work. Children will practise some questions and discuss methods, sharing tips and techniques. On Friday 12 July, Ms Williams will then supervise the children taking an official practice test, under examination conditions, sent to us by Bourne Grammar.

IF YOU WOULD LIKE YOUR CHILD TO RECEIVE THE FAMILIARISATION TEST AND SUPPORT SESSIONS IN SCHOOL YOU MUST CONTACT BOURNE GRAMMAR AND REGISTER YOUR CHILD FOR THE 11+ BY FRIDAY 28 JUNE.

I will write to you again, once I have received confirmation from Bourne Grammar of your registration to the tests with confirmation that your child has been entered into the familiarisation test, and details of how you can receive feedback.

There will not be any further familiarisation lessons given at the school, to children who register with Bourne Grammar beyond 28 June, but they will still sit the familiarisation test, at our earliest convenience.

Yours sincerely

Mr T Cox
Vice-Principal
