

PARENT GOVERNOR ELECTION JUNE 2019
ELECTION STATEMENTS

1. **DE BAAT, Julia.** I am a mum of two daughters who really enjoy being part of Malcolm Sargent School. I am a qualified Chartered Accountant currently working part-time in Stamford and I would love the opportunity to give a bit back and contribute to the on-going success of the school.

How do you intend to contribute to the school's strategic priorities? I would like to bring my professional skills and experience to help invest as much as possible in our children. I am passionate that they are given a rounded education to include a wide range of life-skills, for example music and sport, alongside the core subjects.

2. **DONINGTON, James (known as Jim).** As a Police Officer working in a child protection role, I have a wealth of experience in this field and a passion for the safeguarding of children. I will soon have two children at the school and I am interested in all aspects of their education within the school, ensuring all children have a great experience and the skills to succeed.

How do you intend to contribute to the school's strategic priorities? By taking an active interest in all aspects of the school and ensuring the staff are delivering to the highest standards. By ensuring all children are provided with a safe, nurturing environment, the best teaching and facilities to encourage their development and growth.

3. **STAFF, Rebecca.** My three children have loved their Malcolm Sargent journey and their achievements. I want to contribute to that journey, inspiring our children's futures. I work in environmental regulation and legal processes and will use this knowledge helping our school to continued success in the classroom, extra-curricular activities and in the community.

How do you intend to contribute to the school's strategic priorities? My background is in environmental regulation and I bring investigative, analytical and auditing skills and legal experience. I will contribute to ensuring the school continues its success and our children achieve their goals and more. I have strong environmental focus and can develop further environmental inspiration at our school.

4. **TOWARD, Paul.** I work for a large built asset consultancy, leading a large and diverse team of people to deliver complex construction projects for clients. In addition to strong leadership skills, my technical skills lie in commercial management with specific experience in finance, property and law as a Chartered Surveyor.

How do you intend to contribute to the school's strategic priorities? By being able to fully commit to the role with passion and bring my skills and experience to the benefit of the school. I am able to understand a wide range of perspectives and will ensure all parties work together to deliver solutions to key issues.
