

# MALCOLM SARGENT PRIMARY SCHOOL

Love To Learn

25 June 2019

Dear Y5 Parents

## **Y5 – INSPIRING SCIENTISTS DAY – CASTERTON COLLEGE**

Please find attached a letter from Casterton College Rutland regarding a free of charge Inspiring Scientists Day which we are attending with all Y5 children on 2 July. The trip will take place within school hours and transport is by coach, provided by CCR.

If you have already ordered a hot lunch we will swap this automatically to a packed lunch. If you wish to cancel the school packed lunch and provide your own, please contact Mrs Bell at the office immediately. Children should wear full school uniform and bring with them extra snacks and drinks in a small rucksack. Depending on the weather a rainproof jacket or sun hat/sun cream may also be required. If your child has an inhaler or epi-pen in school, we will take these with us automatically. If your child requires any other medication, please contact your class teacher.

You will note that CCR would like to take publicity photographs of the day and these could be of your child. Please provide specific consent regarding this on the form attached.

If you do not wish your child to take part in this trip please notify your class teacher. He/she will remain in school and be placed for the day with another year group.

We have attended this trip for several years and the children always really enjoy an exciting day of science.

Yours sincerely

Paula Stenson  
Head of Y5
