Dear Parents

## Parent Governor Elections

Following the ballot for the election of 1 Parent Governor, we are pleased to inform you that Julia De Baat has been elected, subject to statutory checks.

We look forward to working with her on the Governing Board.

Governors perform a critical role in the working life of any successful school and we would like to take this opportunity to thank all of the four candidates for volunteering to take on this role. This demonstration of their commitment to becoming involved in helping to further strengthen and improve the school is very much appreciated.

Yours sincerely

Mr T J Revell  
Principal
