Love To Learn

10 July 2019

Dear Parents

END OF YEAR REPORTS

Your child's end of year report will be coming home with your child on Friday.

If your child is in Y1-Y6, his/her report will comprise:

- The teacher report and curriculum information.
- A summary of your child's attainment and progress over the year.
- If your child is in Y2 or Y6, his/her SATs results will be included, together with a sheet showing our school results compared with national results.
- If your child is in Y1, his/her phonics results will be included.
- If your child is in Y2 and re-sat the phonics test this year, his/her new phonics results will be included.
- Music reports for those pupils learning an instrument with a peripatetic teacher.
- Your child's attendance report for this academic year to date.
- Pupil and parent reflection forms.

If your child is in Foundation Stage, his/her report will comprise:

- The teacher report
- The Foundation Stage profile showing his/her early learning goals.
- Your child's attendance report for this academic year to date.
- Parent reflection form.

Please complete and return the parent reflection form as we are keen to hear any comments that you might have, both to understand what has worked well in supporting your child this year, and also for those areas which could be further improved.

We do not hold formal parent consultation evenings in the summer term, but the teachers will be available to meet with you should you wish to discuss the content of the report further. If you require a meeting, please contact your child's class teacher as soon as possible to arrange a mutually convenient time.

If you are a separated family, and require a duplicate of your child's report, please contact the school office to request a copy. Otherwise, the report will simply go home with the parent collecting on Friday.
