

MALCOLM SARGENT PRIMARY SCHOOL

Love To Learn

27 April 2020

Dear Parents

ONLINE PROGRAMS

Within school, we use many programs to enhance our teaching and your child's learning. This is especially the case with home learning. I am therefore taking advantage of this time to update you with the programs we use in school, across all the year groups, so that you can be familiar with them yourselves. I am attaching a link to the provider's website too, for your information.

SEND Assessment Tools

- SNAP - <https://snap.rsassessment.com/#/core/welcome>
- Boxall - <https://boxallprofile.org/>
- LUCID - <https://www.gl-assessment.co.uk/products/lucid/>

These three programs help us to assess your child's possible SEND needs, supporting our understanding of their underlying strengths and difficulties and allowing us to tailor our provision accordingly. The outcomes of these assessments would be discussed with you by your child's class teacher.

Maths

- TimesTableRockstars and NumBots - <https://trockstars.com/>
- MyMaths - <https://www.mymaths.co.uk/>
- SumDog - <https://pages.sumdog.com/>

Programming

- Code.org - <https://code.org/>
- Scratch - <https://scratch.mit.edu/>

Reading, Writing & Spelling

- Nessy - <https://www.nessy.com/uk/>
- Teach my Monster to Read - <https://www.teachyourmonstertoread.com/>
- Clicker8 - <https://www.cricksoft.com/uk/clicker/8>

Positive Behaviour Reward

- Class DoJo - <https://www.classdojo.com/en-gb/?redirect=true>

Not all programs are used with all children; they are targeted as required towards different children and different year groups but your child may access some or all of these programs across their seven years with us.

To enable your child to access these programs, we create accounts for them using just their first name, or sometimes their first name and last name. This information is processed by us using the legitimate business reason under GDPR and thus your consent is not required. Each provider's privacy notice will be available on their website if you wish to access and read it.

If you have any questions, please email the school enquiries email address with the word PROGRAMS in the heading.

Thank you for your continued support.

Yours sincerely

Liz Town
