

MALCOLM SARGENT PRIMARY SCHOOL

Love To Learn

1 July 2020

Dear Year 4 Parents

POWER MATHS BOOK 4C

We have been delighted to see so many of the children in school this week. We are so proud of how well they are adapting to our new situation both at school and at home and want to thank you too for all the support that we know you give them at home with their learning.

This week, we will be finishing our Power Maths 4B Practice Books! It's fantastic that we are still moving forward with our learning so well and we will be continuing over the next few weeks by working in our Power Maths 4C Practice Books. To that end, we will be handing out the new 4C book this week to all children who are currently in school. We will make sure these are wiped down with disinfectant spray before they leave the school to remain as safe as possible.

If your children are not currently coming into school, the 4C book will be available for you to pick up from Reception by Friday.

They will need it next week, so if you are unable to pick it up please do let us know and we will organise to get it delivered to you at home.

Kind Regards

Clare Barton
Head of Year 4
