Dear Parents of FS to Y5 Children

TRANSITION

As part of the children's transition and to prepare for moving up in September, we have prepared a number of activities which we hope will support them this year in a 'virtual transition'. These include:

- 'Getting To Know Each Other' video from their new class teacher, and other adults, in their classroom. This will be on Seesaw.
- Flat teacher summer challenge - a task to complete for their new class teacher, which will be discussed when they return to school in September.
- 'New Routines' video on Seesaw - information about the classroom, rules and routines.
- What's Coming Up? Information about events and things to look forward to across the year, also on the video on Seesaw.
- Get to know the team and curriculum information evening video.

These videos will be uploaded to Seesaw towards the end of next week.

Some children, who have an SEN Plan which details additional transition, will have opportunity for further support in this area. You will be contacted by your new class teacher about those arrangements before the end of the term.

Please see below a list of current classes and teachers together with next year's classes and teachers:

The children will remain in their house teams as they progress their way up through their seven-year journey with us.

Next year, the Heads of Year will be as below and will be coordinating the delivery of the curriculum between the classes in their teams:

FS	Mrs Gregory-Smith
Y1	Mrs Crane
Y2	Miss Gedney
Y3	Miss Lunn
Y4	Ms Barton
Y5	Miss Fovargue
Y6	Ms Williams

I am sure your children will be very excited, and maybe a little nervous, about their new start next year. If you have any questions about their new curriculum and the support in place to help them to achieve their full potential, please do not hesitate to ask their new class teachers in the first instance.

Any remaining concerns can be addressed by referring to the Senior Leadership Team, who which will be deployed as below. Specifically, they will lead on determining any concerns which the class teachers and heads of year are not able to resolve.

Mrs Perry	FS/Y1/Y2
Mr Cox	Y3/Y4/Y5/Y6
Mrs Cox	Pastoral/SEND Lead

The teaching teams are busy planning and preparing for next year, part of which will include undertaking a series of transition meetings with your child's current teacher and teaching assistant to effectively hand over information and enable a smooth start to the new academic year.

Thank you for your ongoing support throughout what has been a very different year. We look forward to working with you again in September.

Yours sincerely

Katie Perry
Assistant Principal Lower School
