

MALCOLM SARGENT PRIMARY SCHOOL

Love To Learn

2 July 2020

Dear Parents/Carers

CHILDREN'S WELLBEING SURVEY

At this time of the year, we usually ask children to complete a short survey about how they feel and what they have enjoyed about the year. I would like to continue to do this survey, but instead, ask for you to complete this with them, online.

It has been a very challenging year for us all. However, I am also aware that children are very resilient and their response to Seesaw, and the settled start they have made back in school for those who have returned, is testament to them, and to your support.

I would like your child to take some time to reflect on the lockdown period, how they feel about school and their work currently, and what impact Covid-19 has had on their wellbeing. It is important for us to understand how they feel so we are able to support them better next year when we look towards building a Recovery Curriculum for all children, whilst targeting additional support to those individuals who may need something more.

Please click on the link below to complete the short survey, asking the children for their responses so we have an accurate picture of what they are thinking and feeling.

<https://www.surveymonkey.co.uk/r/W2F8JTD>

The closing date for the survey is Thursday 9 July at 1pm, giving us time to analyse and reflect on our next steps.

My best wishes to you and your families,

Yours sincerely

Tim Cox
Vice Principal
