

MALCOLM SARGENT PRIMARY SCHOOL

Love To Learn

3 July 2020

Dear Parents

RESET PLANS FOR SEPTEMBER

As you are probably aware, yesterday the Government published its guidance for the full re-opening of schools in September. A link to the guidance is set out below for your information:

<https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools>

Our "Plan A" is to aim for a full re-opening. We are now putting together plans which will use this guidance for this to take place as successfully as possible. However, time is short and the success of our approach so far has been the contribution of many people working together. You can now help us in formulating our plans by sending any questions you may have to enquiries@malcolmsargent.lincs.sch.uk using the subject line "September FAQ". Please submit any such questions by 5pm on Wednesday 8 July.

Your questions will be really helpful to our staff team and will allow us to consider how we can practically make this guidance work best at our school. We will then aim to publish our September plans to you before the end of this term. Such plans will also include our "Plan B", which will cover any partial or full closure of the school, at any point during the school year, and which will allow for pupils' remote learning to take place.

Thank you for your ongoing support.

Yours sincerely

Mr T J Revell
Principal
