Dear Parents & Carers,

## **OFSTED VISIT - TUESDAY 20 OCTOBER**

I have just been informed that Ofsted will be visiting our school tomorrow, Tuesday 20 October. This is not a regular inspection, but a monitoring visit to see how we are returning to the school's normal curriculum during the ongoing Covid-19 pandemic.

The lead Inspector will write a short letter after the visit, which will "provide parents with information about what leaders are doing to help pupils back into full-time education. Letters will not provide any evaluation or graded judgement". This letter will be available within eighteen working days of the visit.

Ofsted will not be asking you to complete a survey on this occasion, and they will be starting on site after the start of the school day.

If you have any further questions, please do not hesitate to contact me via the school office.

Thanks you for your ongoing support.

Yours sincerely

Mr T J Revell  
Principal
