Want to know where to find the privacy settings for Instagram? Try this...

- Open Instagram and tap on your **Profile** image at the bottom of the screen

- Tap the **3 bars or dots** at the top right of your profile

- Tap on **Settings** at the bottom

- Tap on **Privacy**

Clicking on Private Account will hide your posts from anyone who isn't your Follower, and Followers need permission to be added.

Your profile picture and bio is not hidden by this!
