Open Event

Saturday 7 October

NEW FOR 2024 ENTRY

The Oakham Foundation Award

We offer two places at either Year 7 or Year 9 entry for The Oakham Foundation Award, which is a means-tested scholarship specifically designed for pupils and families who would otherwise not consider an education at Oakham School.

Recipients of an Award will be exceptional, academically driven, empathetic, bright, and respectful, with a desire to discover new talents and enhance themselves and the Oakham Community.

Candidates from the Midlands will be prioritised. Families applying for this Award will typically receive Government support or have a family income of less than £25,000 per annum.

Visit us at one of our Open Events to discover more about an Oakham Education. Our fun, friendly and interactive tours are a great way to experience life at Oakham.

Register online to attend our Open Event or contact our Admissions team for further details about the Oakham Foundation Award:
