

MALCOLM SARGENT PRIMARY SCHOOL

Love To Learn

22 January 2025

Dear Parents

OFSTED REPORT

I am very pleased to attach a copy of the recent Ofsted Report for our school.

As this was an ungraded inspection, the inspectors were not permitted to give grades. However, it is clear from the wording of the report that they were extremely impressed. Ofsted inspections are a rigorous process which examine carefully and thoroughly each aspect of the school, so it is very impressive to produce a report like this from a snap inspection of what we do.

Some particularly pleasing highlights recognised by the inspectors included the commitment of the staff team:

"Our school is safe and happy, where children love to learn. Staff are kind, passionate and polite, dedicated, and hard working. All of this enables our pupils to be happy, and friendly, doing their best, enjoying their learning and achieving well."

Thank you for your continued support, helping our school to be so successful.

Yours sincerely
