

SDP

2025- 2026

Core priorities

- 1. Help all pupils excel.** Some pupils are not moved on to new learning when they are ready. This hinders their progress. The school needs to continue to develop the curriculum so that all pupils can excel at the highest level. *(Ofsted Dec 2024)*
- 2. Deployment of Teaching Assistants:** School's quality assurance of teaching & learning, *(EEF Guidance recommendations)*
- 3. Application of Learning:** Mastery Approach- "Can they do it when it matters!", *(End of Yr non statutory data)*
