

MALCOLM SARGENT PRIMARY SCHOOL

Love To Learn

12 September 2018

Dear Parents

We already have an issue with head lice in school. Please ensure that you check your child's (and their siblings') heads immediately and on a weekly basis to ensure that the head lice do not spread round school between friends and siblings. If you find head lice, you need to treat them before you send your child(ren) into school. You may find it helpful to tie back long hair. Information on the treatment of head lice is available from our website under Parents>General Information. Alternatively, further assistance is available from the School Nursing Service which is based in Spalding. The telephone number is 01775 652146.

Thank you.

Yours sincerely

Liz Town
