

### Hello and Welcome to...

#### **Chantelle Challis, Foundation Stage (Class FSGS) Schools Direct Student**

Hi, my name is Mrs Chantelle Challis and I've worked in childcare for 7 years. Most of my experience has been in nurseries but I have also worked at the school's after school club. I have just moved from the Acorn Childcare Centre after completing my degree in early childhood to pursue a career in teaching, which I'm very excited about. I have two young children who love to explore outdoors, and so most of my free time is spent on family days out or walks in the woods and parks.

#### **Eilidh Malcolm, Year 1 (Class 1C) SCITT Student**

Hello! My name is Mrs Eilidh Malcolm and I am originally from Edinburgh in Scotland where I studied a Foundation Degree in Music at Aberdeen University. After moving to Lincolnshire, I completed the final year of a Bachelor of Arts (Hons) with the Open University using Early Childhood Studies modules. This year I am looking forward to working with the children and staff at Malcolm Sargent to help me gain my PGCE through the Deepings SCITT programme. In my free time I enjoy spending time with my young family, exploring the local area on our bikes.

#### **Rosie O'Sullivan, Year 2 (Class 2ND) Schools Direct Student**

Hello! I am Miss Rosie O'Sullivan and I am about to begin my post-graduate teacher training with Y2. After graduating from Leeds Beckett University two years ago, where I read marketing, I have been volunteering with a local primary school on a part time basis. I currently work at The Cosy Club in Stamford full time, so may be recognised from working there! I was a former pupil at Malcolm Sargent Primary School and I'm really looking forward to starting my teaching career here.

## Louise Allen, year 3 (Class 3M) Schools Direct Student

My name is Mrs Louise Allen. I am a trainee teacher and will be based in Year 3 whilst at Malcolm Sargent Primary School. Until now, I have been working as a Targeted Intervention Practitioner in Early Help with Rutland County Council. I have lots of experience looking after many different children and their families and helping them to overcome challenges. This experience has been part of what gave me the push to become a teacher.

Outside work, I love to sing. I also enjoy travelling with my husband and our three children in our campervan, which is called Ruby. We aim to continue to explore the world for as long as our children can bear to be in the van with us!

## Vicky Davies, Year 4 (Class 4L) Schools Direct Student

My name is Miss Vicky Davies and I have just completed my Education Studies Undergraduate Degree at Bishop Grosseteste University with a First Class Honours Degree. I have volunteered for the past two years at Gretton Primary School and loved every second of it. I live on a farm and love looking after the animals, especially the lambs. I have three dogs and love going for long, peaceful walks in the woods. I'm a keen baker and cook; my favourite bake has to be Biscoff and Chocolate Chip Cookies. I'm looking forward to becoming part of the team at Malcolm Sargent.

## Jenny Runham, Year 5 (Class 5S) SCITT Student

Hi, I'm Miss Jenny Runham. I have an 11 year old daughter and a large dog! Up until three years ago, I worked as a product advisor before returning to university. I volunteered for several years as a Girl Guides leader and, most recently, as a classroom helper. These experiences have really developed my passion for inspiring and mentoring young people. Outside work, I enjoy climbing, kayaking and walking our dog, but am never happier than when I'm curled up with a great book! I'm really looking forward to meeting and getting to know you all over the course of the year.
