# SPACE!

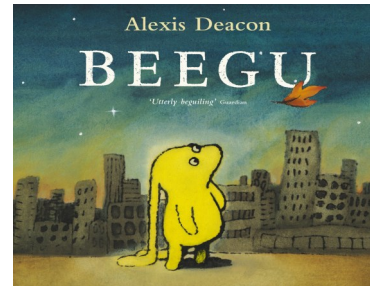

Year 1

Autumn Term 1

Curriculum Offer

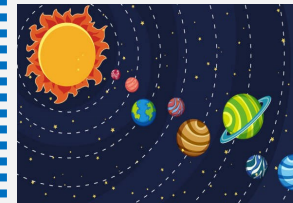

## Humanities

This half term Year 1 will be exploring the text 'Beegu', an alien who finds himself lost on the planet Earth. The children will be retelling the story, writing questions and writing letters.

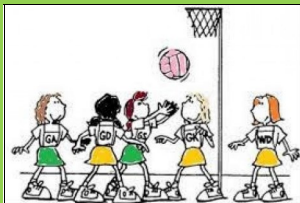

## Science

This half term we will be exploring space; learning about some of the planets and the solar system. We will also look at the role of an astronaut. In addition to this we will be learning about the different parts of the body and our senses.

## P.E

In Year 1 this half term the children will be

learning the basic skills needed to play netball, ready for our house netball tournament!

Year 1 are the first children in school to put on our performances!

Each class in Year 1 will be performing 'The First Kids in Space'!

## PSHE

We are starting a new mindful approach to PSHE this year using the scheme 'Jigsaw'. We will be learning about emotional literacy, social skills and spiritual development every week!

R.E — Celebrating harvest and giving thanks.

ICT— Logging on & using Tux Paint to create pictures.

Maths—This half term we will be learning about place value. We will be learning to continue a number sequence using numerals and words. We will also be exploring 1 less and 1 more in a variety of ways.
